Gate

Where duck race tents will be

Enter East End, turn right in to 'The Green'.

Follow the road right down until you reach a field of beans.

Turn right into field and follow it along the edge, around the wood.

Once you've followed the wood round and are in the corner of the field, go through a little track and there will be a gate.

The gate leads to the common and there you will see tents/stalls where the duck race is held.
